FOREO

Ideal for travelling, both for ease of use and hygiene, is the new ISSA Hybrid toothbrush, £149. The Hybrid uses both silicone and PBT polymer bristles to ensure a thorough clean. The bristles also harbour fewer bacteria than standard nylon toothbrushes. In addition, a one-hour charge can last up to six months, making it perfect for people on the move.

LIBERTY LONDON

A must-have for anyone travelling for long periods of time, a Liberty London eye mask like the Indiana, £50, with its colourful paisley print is ideal. Made from silk satin fabric to feel comforting and cooling on the skin, it will send you to sleep instantly.

Liberty London, Regent Street

AROMATHERAPY ASSOCIATES
 This award-winning miniature bath and shower oil collection, £39, is the perfect travel companion. Choose any of the ten 3ml favourites, from de-stress mind and inner strength to relax deep, to suit your mood and enhance your travel experience.
 JohnLewis, 300OxfordStreet

GEO. F. TRUMPER
 For a smooth face on the go, the travel shaving set, £150, from Geo. F. Trumper, is the only option. Complete with a real badger hair shaving brush and matching chrome handles fusion razor, they are contained in a black calf-leather case.
 9CurzonStreet

TOM FORD
 The heralded Lips & Boys collection has added another 25 new colours to the existing 25 shades. The beauty about this line – they're miniature – is that they only take up half the amount of space. Try the delectable Evan, £29, a dark nude tone that will suit all skin types.
 HouseOfFraser, 318OxfordStreet

FREDERIC MALLE
 Made of 100 per cent leather, these perfume cases are made in collaboration with Frederic Malle and Valextra to ensure the bottles of highly prized liquor are kept safe and sound. This one fits the 50ml and comes in a vibrant yellow to get you ready for summer.
